

**STARTING AT
\$10/HR**

Taxes and fees apply

WHO ARE WE?

We Rent Electric Power Bikes. What more is there really to say except that these bikes are exceptional. Once you try one of our powerbikes, you will wonder why you ever went without one. We started renting bikes in 2019 in Bear Lake Utah, and will be opening more locations soon.

WHY FIREFLY?

Not to brag, but we are pretty awesome! That's with an exclamation point there! Hey another one. Really though, we do like to toot our own horn because we believe that we have something truly unique to share with you in our amazing power bikes. So many people tell us they would love to ride one, but have never had the chance. Well, here's yours chance to give it a whirl!

FIREFLY EVENTS

Firefly Powerbikes loves its community. One way that we light it up is through our various events, including one of our favorite things: Fireworks!

COME SEE WHAT'S NEXT!
LABOR DAY
FIREWORKS SHOW

Saturday, September 5th

Watch from your boat near blue water Beach!
